*Send forth your Spirit, O Lord, and renew the face of the earth*

**GOSPEL ACCLAMATION: Alleluia! alleluia! Come, Holy Spirit, fill the hearts of your faithful and kindle in them the fire of your love. Alleluia!**

**Laudato Si Reflections** It's 8 years ago this week since Pope Francis shared his encyclical *Laudato Si* with the world. To mark this, **over the next 5 weeks**, we invite you to think about your **personal relationship with creation** and how you as an individual, respond to Pope Francis' call to care for our common home. To do this, we will use an Ignatian eco-examen reflection tool called, *Reconciling God, Creation and Humanity*.

(<https://www.ecologicalexamen.org>)

**Week 1 Gratitude** Please take just a few minutes of each day this week to focus on the first aspect, **Gratitude**. You are invited to recognize that all that we are, the person we are now and the person we are becoming, the possessions we have and the earth we inhabit, is all a gift from a loving Creator.

**Do I give thanks to God for creation and for being wonderfully made? Where did I feel God's presence in creation today?**

**Prayer:** I give thanks to my God who created all the Earth, all the creatures upon the Earth, the fishes of the sea, the birds that soar through the skies, the water that gives us life and all humanity. I give thanks to God who moulded me in my mother's womb and who crafts me into the person who I am today. I thank God for my life and for all that God has provided me to sustain this very life. I recognise all I am and all Creation that surrounds me is a gift from God.

**Dunkeld Serra Vocations Mass:** There is a Holy Hour at 6 pm followed by Mass at 7pm offered on the last Tuesday of each month, in the Immaculate Conception, Lochee, to pray for an increase of priestly and religious vocations and for our priests. The next one is next Tuesday 30<sup>th</sup> May. All are invited to join us.
