Journeying Together: Pope Francis and Synodality

Ten years ago, Cardinal Jorge Mario Bergoglio of Argentina became Pope Francis and chose the name Francis in memory of St Francis of Assisi, the saint of the poor, of creation, and of peace. His papacy has been inspirational if you want a pope: who has no fear in standing up for justice and human rights; who tells his priests they are servants of the People of God; who lovingly

washes the feet of prisoners and women; who cares passionately for the environment; who flies home on papal flights with refugees and invites them to stay in the Vatican; who welcomes those of other and no faiths; who listens to his own flock and hears their voice. **Synod on Synodality: Wednesday 4-29 October, 2023.**
