Recently, thanks to the donations from our customers we have been able to buy more school uniforms to help families in St Ninian's Primary and to send £100 to the Ethiopian SCIAF appeal.

Unfortunately, conflict and recent years of difficulties caused by climate change in Ethiopia have devastated livelihoods. In the south of the country, they have had only one short rainy season in the last three years. 80% of cattle died as a result, leaving huge numbers without

access to food and water and the almost impossible task of keeping livestock and farming in this environment. We are one human family created in God's image. Pray for the millions of people who have limited access to food. Pray that the Church can continue to provide emergency response where required and help families over the longer-term.

Journeying Together in St Ninian's: Synod on Synodality 4-29 October, 2023.

Bishop Brian McGee of the Diocese of Argyll and the Isles will represent Scotland at the Synod in Rome. To assist him, each Synod Core Group in Scotland was asked to reflect, discuss, discern and respond to an issue for discussion at the synod. We were asked to consider: Co-responsibility in Mission: How can we better share gifts and tasks in the service of the Gospel? Two of the issues we stressed in our submission were:

1. 'the importance of inspiring all the faithful to appreciate the many and varied skills they possess and to exercise the same for the salvation of their souls and the greater good of the Church.'
2. 'Since every baptised person is clothed, without distinction, in Christ, women must be given an equal voice and equal dignity.' M Ruddy

BLISTER PACK ALERT!

Unfortunately, we can no longer bring blister packs to the church as Superdrug are not receiving bulk drop offs. There is a box in the Superdrug store by the pharmacy in Overgate for personal use only. I will continue to look into this and keep you informed. Colette Cowieson
