Bishop Brian McGee of the Diocese of Argyll and the Isles will represent Scotland at the Synod on Synodality in Rome. He will join 340 other bishops, lay women and men, religious and clergy from around the world. The week-long synod will consist of conversations, prayer and reflection asking the Holy Spirit to help them discern how the Catholic Church can become a more welcoming and inclusive Church fit for the 21st Century.

The Season of Creation: Week 2

This year's theme 'Let justice and peace flow' and the logo 'A mighty River' are inspired by the prophet Amos who cried out "But let justice roll like a river, righteousness like a never-failing stream."

We are called to join the river of justice and peace, to take up ecological justice and speak out with and for communities most impacted by climate injustice and the loss of biodiversity. Our individual actions are important. Celebrating creation, taking part in clean-ups, planting trees, and reducing our carbon footprint for example. However, individual actions are not enough. Write to your MP! We need to keep reminding them of their duty to deal justly and honestly with communities that suffer most from climate change. We can also learn about and sign petitions, for example SCIAF'S '**Demand Action on the Global Food System.**' <https://campaign.sciaf.org.uk/demand-action-global-food-system>

A Mighty River
Amos 5: 24

Dunkeld Lourdes Service post-pilgrimage service will be held in **St Mary's, Lochee** on **Sunday 24th of September** at **3pm**. There will be light refreshments in the church hall afterwards and all are welcome.

PSALM RESPONSE:

O that today you would listen to his voice!
'Harden not your hearts'!

Memorial Acclamation

Save us, Saviour of the world,
For by your cross and resurrection
You have set us free.
