Journeying Together: 'Conversations in the Spirit'

Synodality is a spiritual experience. It is all of us journeying together and a way our Church wishes us to go so that **everyone**, bishops, priests, deacons, religious and the faithful are given a voice and carefully listened to. It is an opportunity to have views and opinions heard without put downs or judgement and begin to make decisions together. The Holy Spirit is invited to be present in 'Conversations in the Spirit'. This way of walking together is Pope Francis' gift to the Church as it grapples with renewal. He asks us, as part of the global Church, to engage in 'Conversations in the Spirit' in our parishes now and report back on progress before the final part of the Synod on Synodality in October. **During Lent we will be holding 'Conversations in the Spirit'**

with our young people and with everyone who has a ministry in our parish.
