### **Journeying Together (Synodality): Report from some Catholic Leaders**

On the 11th Anniversary of the election of Pope Francis, Catholic Leaders spoke out in support of Francis and the Synodal Process saying: 'We are Catholic leaders of several international Catholic reform groups. Pope Francis's pursuit of the Synodal process has enlivened the People of God. More people have been paying attention to the Synodal process than to anything since Vatican II. The

more we listen to one another the more voices the Spirit within us can resonate with.' One major outcome of Journeying Together will be the increased involvement of the laity in matters concerning the Church. We are all being invited to a shared responsibility in light of our baptismal vocation.
