Journey Together the Synodal Way Service of Creation: 'Breathe in Creation - Breathe out Love' Tuesday 1 October at 7pm in St Ninian's Church.

A synodal parish builds loving relationships between God, the Earth and Each Other. This small planet is our home on earth. From the moment we take our first breath to the moment we breath out our last, we each take our place in the history of the cosmos. The immense beauty of our little blue planet can be breathtaking. But how often do we take time to show thankful appreciation for the amazing home freely given by the Creator. Come and do just that at our short Service of Reflection, Song and Praise for Creation. All Are Welcome. Refreshments will be served at the back of the Church after the service. *M.RUDDY*

CC's 'Conversation in the Spirit'

The first parish 'Conversation in the Spirit' took place on Wednesday. After a short prayer asking the Holy Spirit to guide them, 8 CC's Volunteers listened carefully to each other without interruption to find out what each thought was going well at CC's and what improvements might encourage more people to come along. After a fruitful discussion the consensus was to offer a variety of lunch options over a 4 week period along with an opportunity for social time. Please take an information leaflet after Mass and share with your friends and neighbours. The volunteers will also be asking parishioners if they would be willing to join a happy bunch of volunteers just for a couple of hours a month either at Thursday lunches or Sunday teas. Please give that some consideration.

The Synod on Synodality Phase 2 takes place in Rome from 4-28 October 2024. The Pope, 4 cardinals, 212 bishops, 96 non-bishops, 74 experts and facilitators, 46 laypeople and 54 women will attend. Topics for 'Conversations in the Spirit' will be: How we can become a synodal Church in mission; How to engage in deep listening and dialogue with each other; How to be co-responsible in the light of our baptismal vocation; How to make changes that will allow everyone to use the skills and talents freely given by the Holy Spirit to all of us for the common good; How to exercise power and authority as service to our Church. Let us pray for the success of the Synod.
